2017 Inspirational Family
Cranberry Township Residents ~ Paul Bliss and Family

In 2014, Paul Bliss lost his right eye to cancer and underwent surgery to remove cancer from the brain lining of his forehead. After 6 weeks of radiation, the cancer seemed to be gone until 2016 when he found out he had liver cancer. Due to his illness, he has been unemployed since June of 2016, and he and his family have fallen on hard times. The Cranberry CUP together with the community will rally around the Bliss family to raise money in order to relieve the stress of everyday living, bills, and expenses. This could not be done without each and every one of you who so generously give financially and/or of your time.
